THE VALLEY ADVANTAGE

WHO WE ARE

Tennessee Valley Authority (TVA) is a large economic development organization and public power company representing seven states in the southeastern United States: Tennessee, parts of Alabama, Mississippi, Kentucky, Georgia, Virginia, and North Carolina. The service area of TVA is commonly referred to as, "the Valley."

TVA focuses on assisting companies that are seeking to locate and invest in the United States and the Valley by offering location advisory services. **TVA is a mission-based organization and all services are offered at no cost to the company.**

HOW WE ASSIST COMPANIES

In addition to competitively priced and reliable power, companies considering the Valley have access to a host of resources to aid their location decisions including market analysis and research, real estate services, conceptual engineering, site evaluation, project management, and incentive programs.

ABOUT TVA

- Nation's largest public power provider
- Among lowest industrial rates of peer utilities
- 99.999% power reliability
- Diverse generation mix of nuclear, hydro, fossil, renewables
- Nearly 60% carbon-free generation
- Renewable programs and resources available
